PI-V7

FemmePharma's Intimate Skin Moisturizer has been scientifically tested, and designed to relieve dryness, chafing, redness, and inflammation on your vulva – that is, any of the skin on the external part of your vagina that is causing you discomfort and ruining your day.

NOT FOR INTERNAL USE
NOT TO BE USED AS A LUBRICANT

Intended Use

1. Wash hands thoroughly.
2. Open flip top.
3. Dispense a small amount (grape size drop) on to a tissue or your finger tip.
4. Apply a small amount (grape size) to the vulvar tissue (lips of vaginal area) and outside the vaginal opening (see diagram).
5. Repeat as needed.
