Instructions for Use

Intended Use

1. Wash hands thoroughly.
2. Break the tube (see directions) away from your face.
3. Use the swab to apply the moisturizer to the vulvar tissue (lips of vaginal area) and outside the vaginal opening (see diagram).

NOT FOR INTERNAL USE
NOT TO BE USED AS A LUBRICANT

Directions

1. Hold the tube between thumb & forefinger at the band.

2. With the other hand, hold at base of handle & snap tube open.

3. Pull out swab.
